

Electrical Characteristics of the IGBT (°C):

Static						

Dynamic						

Electrical Characteristics of the Diode (°C):

Static						

Switching Characteristic, Inductive Load

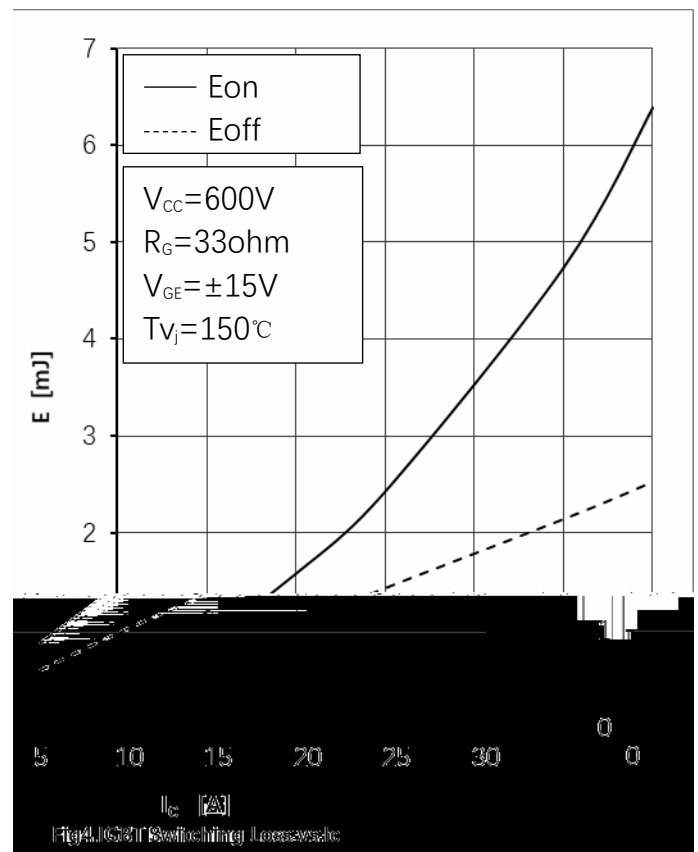

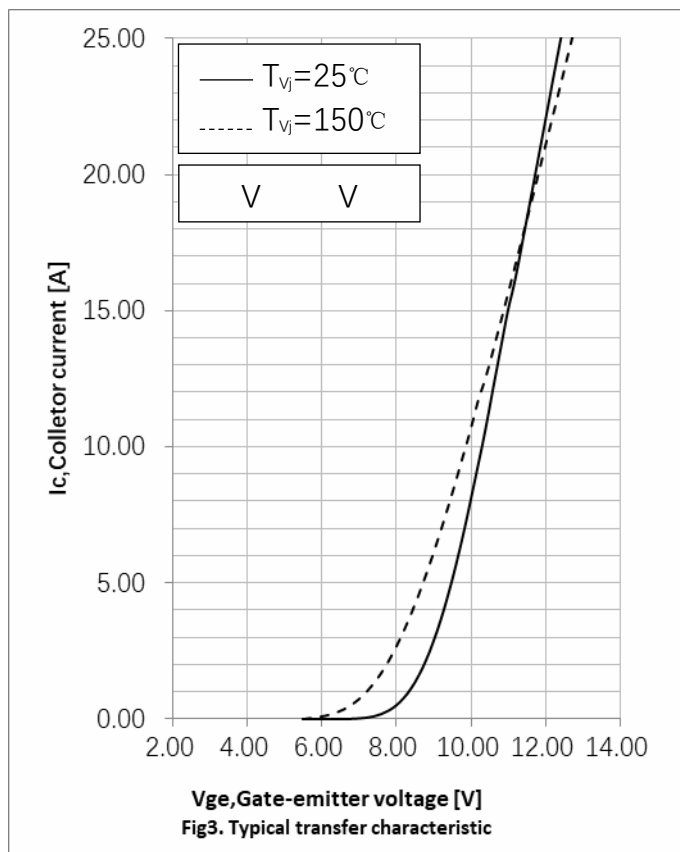

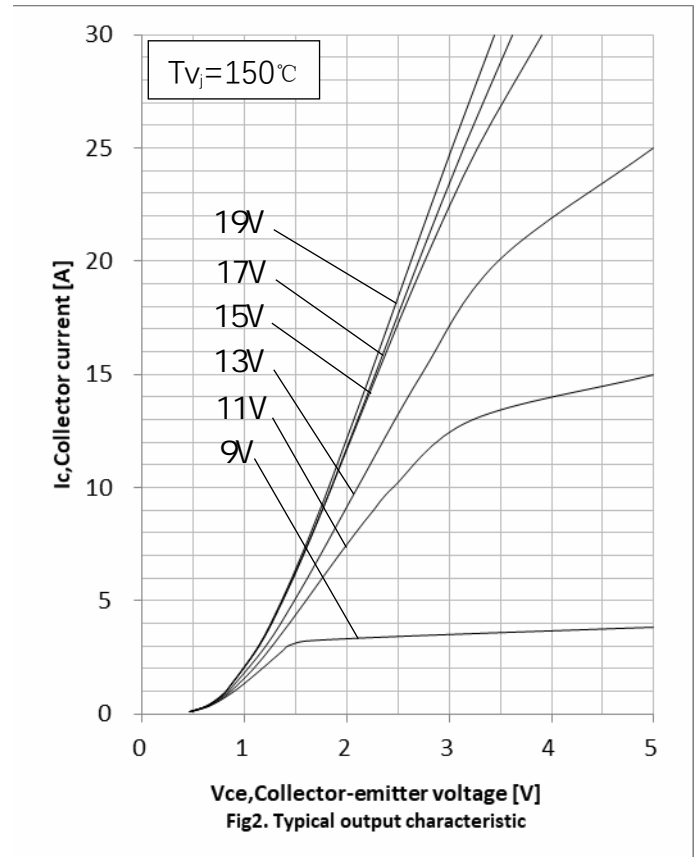

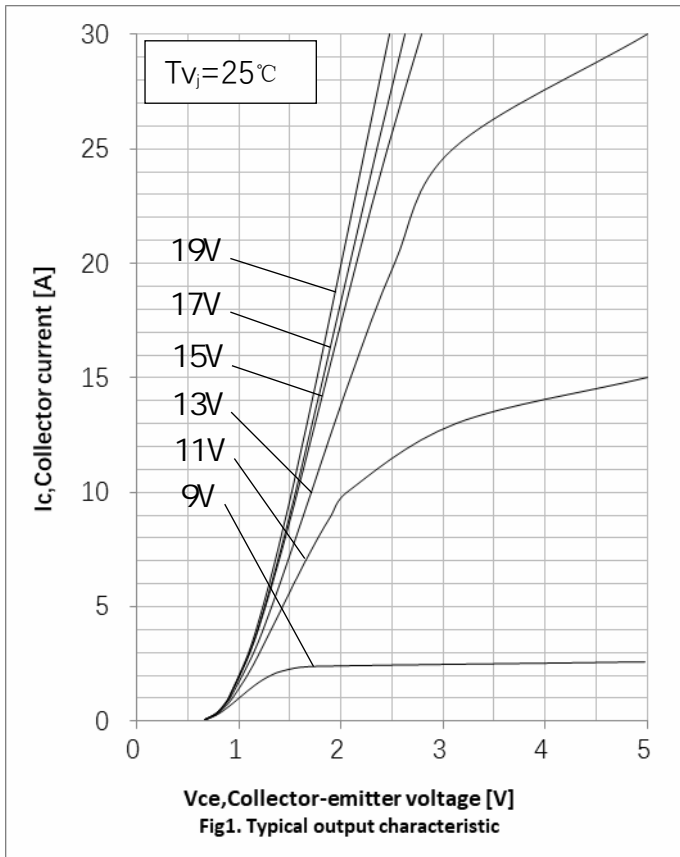

Dynamic , at T_j= 25°C						
		Ω				
Dynamic , at T_j= 125°C						
		Ω				
Dynamic , at T_j= 150°C						
		Ω				

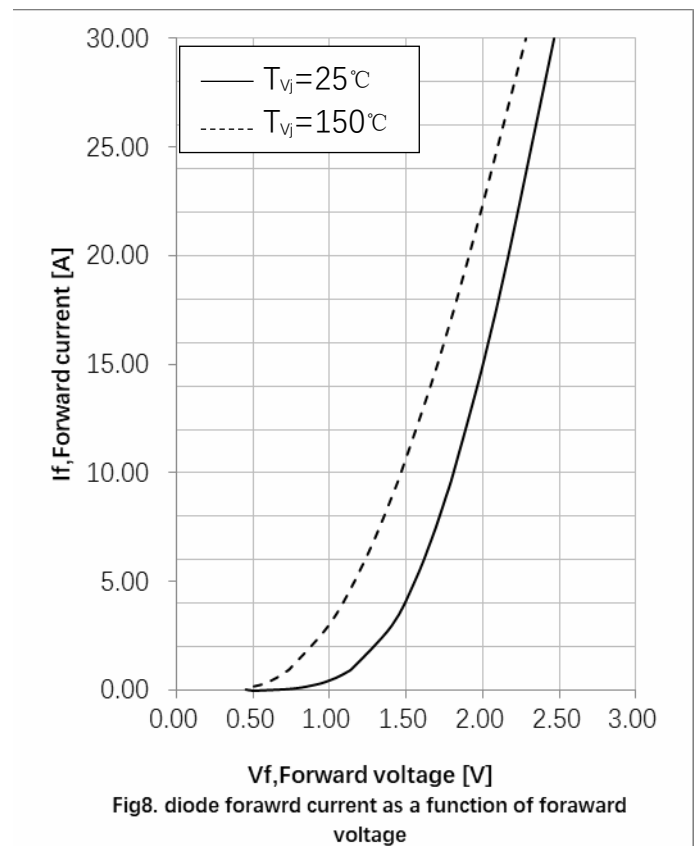

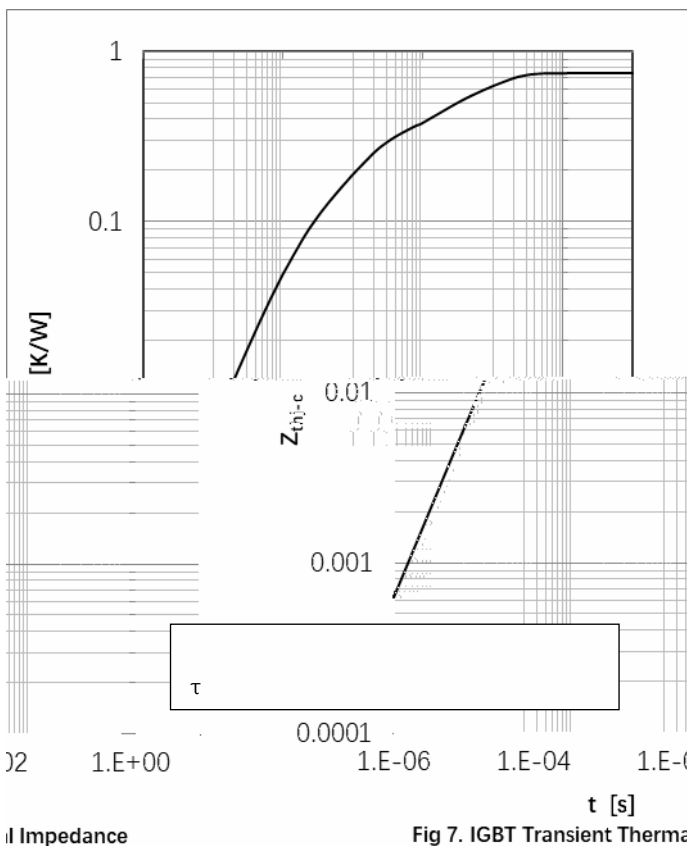

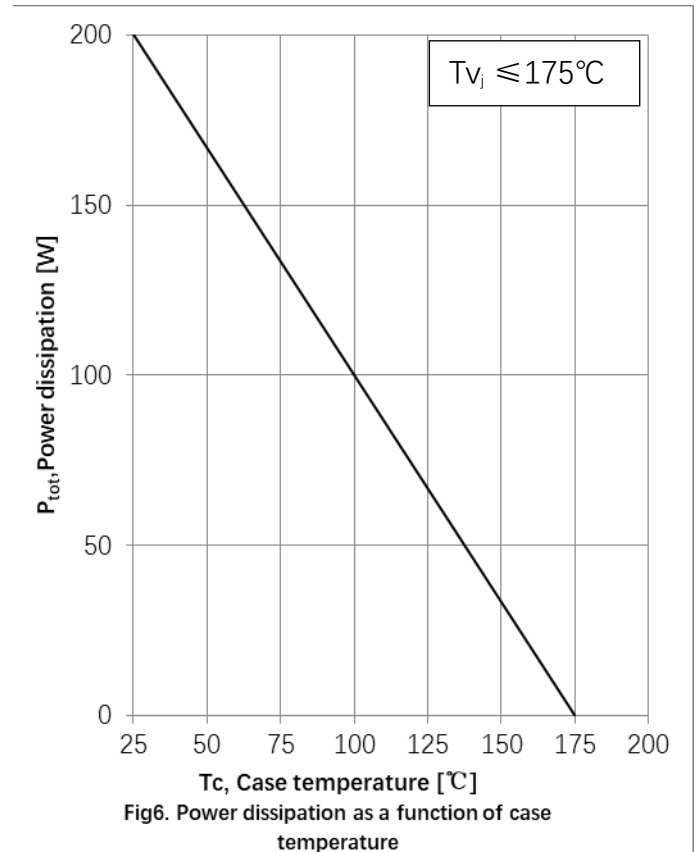

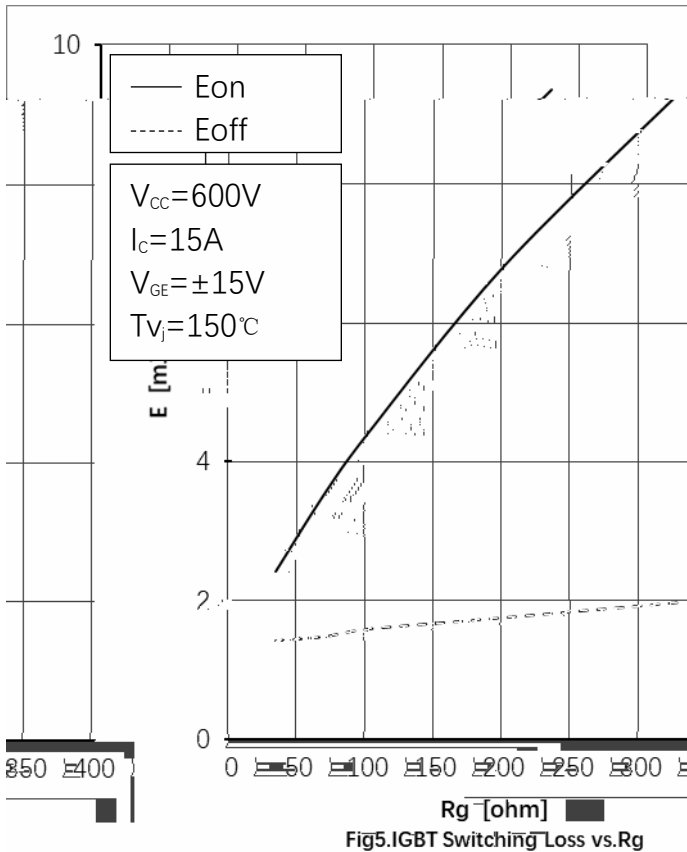

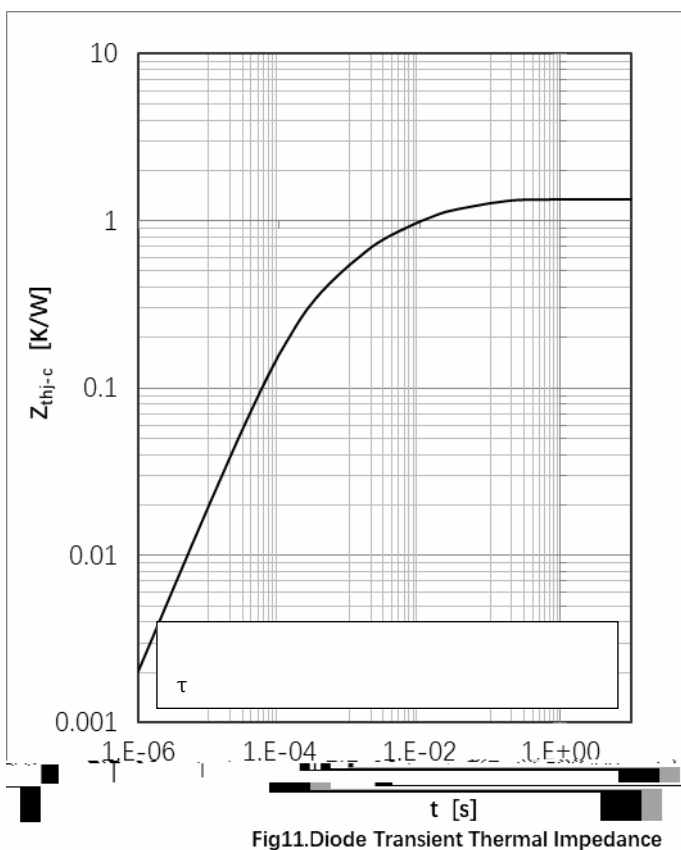

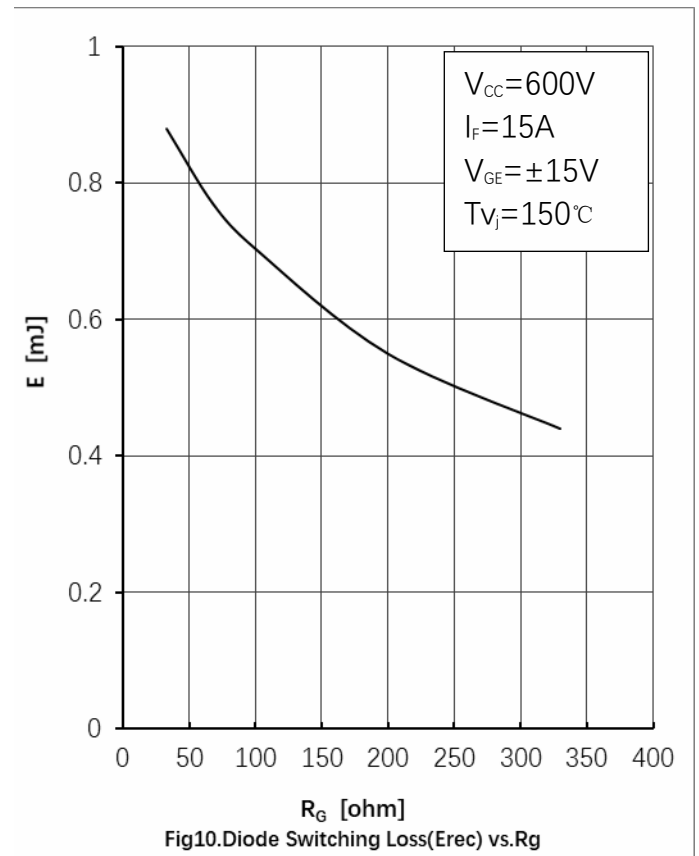

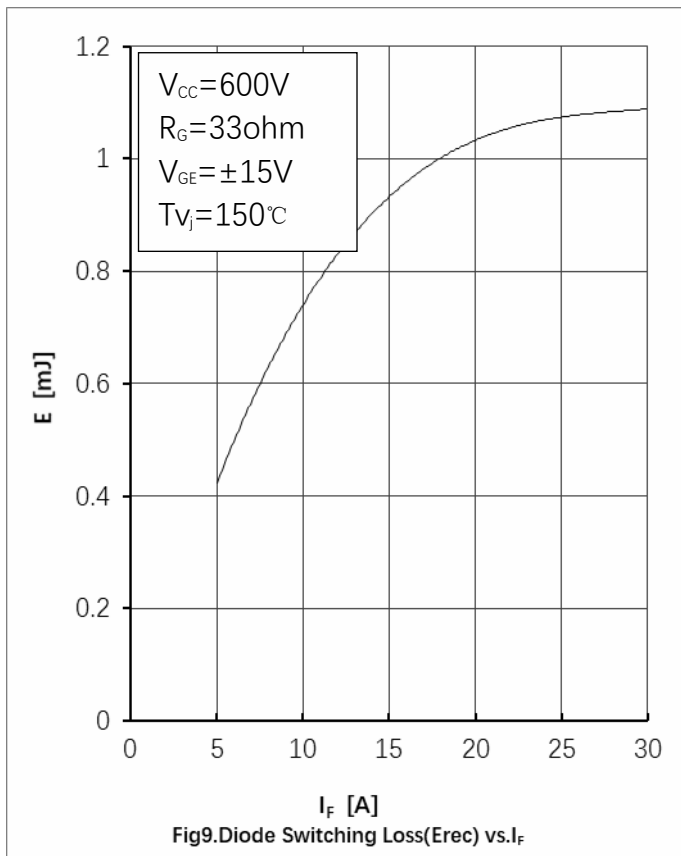

Electrical Characteristics of the DIODE

Dynamic , at T_j= 25°C						
Dynamic , at T_j= 125						
Dynamic , at T_j= 150						

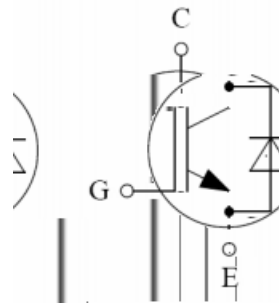

Thermal Resistance
